

Community Foundation

OF GREATER GRANDE PRAIRIE

A Foundation for All

ANNUAL REPORT 2008

Greetings from the Chair, Owen A. Lewis

It has been an incredible experience working as chair of the Community Foundation of Greater Grande Prairie, a role in which I've been surrounded by a wonderful assortment of individuals. I have been afforded the opportunity to witness, first-hand, the excellent works accomplished through the efforts of numerous dedicated community members – individuals, families and businesses committed to making a lasting difference here in the Peace Country.

The Community Foundation is the ideal organization for bringing together donors and community charities through the establishment of endowment funds. Experience shows that people in this community want to give, and our talented Executive Director Tracey Vavrek makes it easy, helping potential donors find a plan that meets their charitable and financial goals. Gifts received today will continue to provide funds to the community forever.

Since its inception, the Foundation has experienced exponential growth, and my goal is to continue this growth while maintaining a high level of service for charitable donors and recipients. We're striving to increase our endowments to \$3.5 million by the end of 2010. These funds would allow us to provide support at a minimum of \$125,000 per year to community projects and programs. Our hope in the future is to expand the reach of the Foundation by establishing community funds specifically dedicated to Grande Prairie's outlying areas.

The Foundation has attracted many dynamic community-minded volunteers to chart the course of the organization and assist with its growth. Board members from both the city and outlying areas give selflessly of their time and expertise in supporting and promoting the Foundation's work on behalf of the entire region. I am pleased to say the Community Foundation of Greater Grande Prairie is truly an example of an effective cooperation between the volunteer Board, committee members and dedicated staff.

Sincerely,

Owen A. Lewis,
Chair of the
Board

“My sincere thanks to the Community Foundation and to the David and Susan Ainsworth Fund for your help in completing our library project. Without your help this would not have happened.”

Peter Gill, President, Friends of the Beaverlodge
Public Library Society

Ten Bucks to Take It All Off

Clyde Blackburn sported a signature bushel of facial hair for 29 years, but the 17-year Grande Prairie resident took it all off in the spirit of philanthropy. For years Blackburn heard people say they'd pay ten bucks to see him shave his infamous beard, so in September 2007 he responded with this challenge to his many friends: By Thanksgiving, show me 1,000 people who would pay ten bucks to see my beard shaved, and I'll show them a man willing to "take it all off" for a great cause.

Blackburn is a founding board member and long-time supporter of the Community Foundation of Greater Grande Prairie and his challenge boosted the foundation's community fund. Reluctant but true to his word, Blackburn went to the barber's chair for a revealing shave. "I can think of no better way to ensure my efforts will touch all areas of the community."

“Grande Prairie gives us so much in the way of opportunity and support. We are thankful that the Foundation is here to help us 'pay it forward'.”

A Touching Legacy

Single mother **Cassandra Jones**, a fourth-year psychology student at GPRC, became the first recipient of the **Devonne Norman Legacy Fund**, receiving \$1,000 to help pay for college. The Community Foundation fund was created by Norman's husband, Ken Norman and members of the legal community and firm where she worked as a lawyer before succumbing to cancer.

"Just to be a recipient of that specific fund was a great honour," said Jones, "Because I am a single parent, it is very touching to receive that fund, and it helps."

In building Devonne Norman's legacy, her family consulted with the Foundation about how and to whom the money should be given. Norman herself became a mother at just 18 and was able to use financial support to pursue her education and eventually attain a law degree. The fund is designed to help others to achieve the same goals and dreams.
